NOTICE TO ALL PARTICIPANTS

All scoring will be done on Golf Genius Scoring Software

So...please download the Golf Genius App on your cell phone.

Each qualifying Tee Time will be issued a GGID#, and one player per group will be entering the scores.

Once the round is complete, each player will verify their score and the player keeping score will upload to GG/P2P website.

Once scores are uploaded - players have 15 minutes to adjust score - check with P2P Scoring Table in the CLUBHOUSE.

VERIFY ALL COMPLETED MATCHES AT SCORING TABLE.

CONDITIONS OF THE COMPETITION

- 1. The USGA rules of golf govern all play: Refer to the Rules Sheet for tournament information & local rules.
- 2. If a player wishes to withdraw from the tournament before the start of match play, please report to the Registration/Scoring table so that their place can be filled by a player who otherwise could not go into match play.
- 3. The ball spotter's sole responsibility is to indicate to players the position of balls. A ball spotter and the ball spotter's equipment are outside agencies.
- 4. Each player is responsible for the player's group maintaining proper position on the course. (Keep up to the group ahead of you.) Rangers will monitor slow play. The committee is serious about reducing slow play and penalties will be imposed for repeated slow play.
- 5. Players not qualifying for any flight will not receive a refund. In the Senior, Super Senior and Flight Divisions there will be a non-qualifiers tournament on the Lakeview Golf Course on Thursday and Friday, if the number of non-qualifiers warrant. Sign-up in the DCC Pro Shop.

• Players are responsible for determining their tee times from Golf Genius. If a player is late for the player's starting time, but arrives at the starting tee, ready to play, within five minutes after the player's starting time, the penalty for failure to start on time is two strokes in qualifying or loss of the first hole in match play. Otherwise the penalty is disqualification, in absence of circumstances that warrant waiving the penalty of disqualification as provided in Rule 5.3A.

• In qualifying it is the responsibility of the player to see that the player's score is entered correctly in the app. Please remain in the vicinity of the scorer's table until your score is verified. Once you leave the vicinity of the scoring table you cannot make alterations to your score. The "vicinity" is the atrium in the clubhouse.

IN MATCH PLAY IT IS THE RESPONSIBILITY OF THE <u>WINNER</u> TO REPORT THE RESULT OF THE MATCH TO THE SCORER'S TABLE.

Players in the Championship Division may not ride on any form of transportation unless authorized by the committee. A ranger or committee member may transport a player to and from the player's last shot in a stroke

and distance situation.

In cases of inclement weather the committee reserves the right to limit subsequent matches to nine holes or less or to reduce the number of holes in qualifying.

Players may enter in only one division.

In qualifying, if a player is in doubt of the player's rights or the correct procedure during the play of a hole, the player should play a second ball as provided in Rule 20.1C and obtain a ruling later. In match play, if a doubt or dispute arises between the players, a player should make a claim as provided in Rule 20.1B and obtain a ruling as soon as possible. If a rules person is not available within a reasonable time, the players must continue the match without delay.
